	LB	SB		
Inhaltsverzeichnis Lehrerband	2	7	Very wet and very hot – Tropical rainy climates 78	84
			Making holidays in a tropical resort	80
			A dense, green and tall forest	82
			Special plants and endangered species	84
			Rain, rain, rain	86
			Living in harmony with nature: the Yanomami	88
1 Global environments and climatic regions	6	4	Destroying or saving our “green lung”?	90
The Earth – systems and spheres	8	6	TERRA ORIENTATION: Air pressure and winds	92
The water cycle	10	8	in January and July	94
			TERRA SKILL: Working with thematic map	100
			TERRA TRAINING	96
2 Atmosphere and world climate	12	10		97
Atmosphere and solar radiation	13	12		
Weather and climate	15	14	Nachweise	
The seasons	17	16		
TERRA SKILL Interpreting climate graphs	19	18		
3 Cold environments	20	20		
Polar regions: Arctic and Antarctica	22	22		
Antarctica in danger	24	24		
The Inuit – life in snow and ice	26	26		
Will the polar bears die out?	28	28		
Tundra – the empty land	30	30		
Taiga – the snowy forest	32	32		
TERRA SKILL Describing pictures	34	34		
TERRA ORIENTATION A trip to the cold zone	35	36		
TERRA TRAINING	37	38		
4 Temperate and subtropical zones	38	40		
Cold in the north, warm in the south, wet in the west and dry in the east	40	42		
Gone with the wind ...	42	44		
Living on the sunny side	44	46		
Hotter, drier, wetter and more extreme – climate change in Europe?	46	48		
TERRA SKILL How to analyse charts	48	50		
5 Hot deserts – dry climates	50	52		
Desert types	51	54		
Life in the desert	53	56		
Normadic life – Joining the Tuareg	55	58		
Green islands in the desert – Oases	57	60		
TERRA SKILL How to present	59	62		
TERRA ORIENTATION Focus on deserts	60	64		
TERRA TRAINING	61	66		
6 Sahel, the fringe – Savanna	63	68		
Rainy and dry seasons in savannas	64	70		
Different types of savannas	66	72		
Farming in the Sahel	68	74		
Desertification	70	76		
Lake Chad – a disappearing livelihood	72	78		
TERRA ORIENTATION Focus on dry areas of the world	74	80		
TERRA SKILL Discussion: Fishbowl	76	82		

Inhaltsverzeichnis CD-ROM

1 Global environments and climatic regions

Grafiken

Eight planets
Evaporation and condensation
The water cycle
150l per person per day

Foto

Drought

3 Cold environments

Audio/Video (inkl. Texte)

A trip to Antarctica
The Canadian Inuit
Norilsk – an industrial island
Ludmillas life in the tundra
Depletion/Protecting the trees

Arbeitsblätter (Kopiervorlagen inkl. Lösungen)

Lückentext: A trip to Antarctica
The race to the South Pole
Denali National Park

Tests (inkl. Lösungen)

Test
Test yourself

4 Temperate and subtropical zones

Audio/Video (inkl. Texte)

Carlos Torres talks about his life
Interview with Peter Allen

Arbeitsblätter (Kopiervorlagen inkl. Lösungen)

The German Boerde
Farming in Italy

5 Hot deserts – dry climates

Audio/Video (inkl. Texte)

Salt trade

Arbeitsblätter (Kopiervorlagen inkl. Lösungen)

Camels and dromedaries
Life in the desert
Denali National Park

Zusatzmaterial

Textverarbeitungsstrategien

6 Sahel, the fringe – Savanna

Audio/Video (inkl. Texte)

BBC film: Wild Africa – savannas
Musa's story
Scandal in Chad
Zusatzmaterial
Climate data
Desertification
Role cards: fishermen, farmer, herders
Tropical Circulation
Phrases to help you in a discussion

Test (inkl. Lösungen)

Test

7 Very wet and very hot – Tropical rainy climates

Audio/Video (inkl. Texte)

What the expert says
Regen
Starkregen
BBC film: Pipe dream
Arbeitsblätter (Kopiervorlagen inkl. Lösungen)
Monsoon
The future of the rainforest
