

## Exercises

### 1. Daisy, in a world of her own

a) Read Part 1 and then do the crossword puzzle.

(9) lived in (3). The sun glowed on the (1) sea. It was autumn and very (12). It went through her like (2) of (13). She had a (14) she couldn't solve. Her parents were very (11). The idea that her sister could be in trouble suddenly made her (6). The lights were inviting but she was too (5) to feel this. She stood there in the (8) and felt (4) and (10). She opened the door with a big (7).

- b) Put the letters in the circles in the right order and find out where almost everyone was that evening.
- c) Read to the end of Part 2. Who's Heather? What do you think her problem is? Here are some ideas:

has had an accident • got bad marks at school • stole something • got in a fight • her boyfriend has left her • took some drugs • has become very sick • ...
