

1  

Tracing practice for uppercase 'W' and lowercase 'w'. The first row shows 'W' with numbered arrows indicating stroke order (1: top-left to top-right, 2: top-right to middle, 3: middle to bottom-right). The second row shows 'w' with numbered arrows (1: top-left to middle, 2: middle to bottom-right). Below are several examples of 'W' and 'w' for tracing.

Handwriting practice on a four-line grid. The first row contains 'W' with a dot and a dashed line. The second row contains 'w' with a dot and a dashed line. The third row contains the word 'Wort'. The fourth row contains the word 'wir'.

2   

Weg Wetter werden wir Wanne wollen 🔑 3 W, 3 w
 Wo wohnt ein Regenwurm im Winter? 🔑 2 W, 2 w

3   W • F •

Image matching exercise. On the left are icons: a fish, a block of cheese, a windmill, a cloud, a sink, a bottle, a feather, and a campfire. On the right are letters: W, F, W, F. Below each icon is a small circle for marking.

4  

Image matching exercise. On the left are icons: a bathtub, a ball of wool, an ice cream cone, a path, a wagon, and a worm. On the right are words: Wanne, Waffel, Wagen, Wolle, Weg, Wurm. Below each word is a blank space for writing.

5  

Image matching exercise. On the left is a wolf icon with a list of words: Wunde, Wurm, Wolf. On the right is a whale icon with a list of words: Wust, Wunder, Wal. Below each list is a blank space for writing.

6  

Image matching exercise. On the left are words: Weg, Wald, Wind. On the right are icons: a weather vane, a vest, a forest, and a wolf. A blue line connects 'Weg' to the path icon. Below each word is a blank space for writing.
